OBJECTIVES

Seeking to establish alliances with creative and interactive agencies, as well as small to mid size digital production agencies in southern Ontario.

ABOUT US

DoubleDigit is a full-service technology and marketing implementation company, delivering solutions in four core areas: digital production and implementation, custom application development, audiovisual production and media operations and analytics.

DoubleDigit serves agencies working with large, high-profile brands in North America and the UK, providing dedicated teams, a pragmatic project-based approach and mature services.

OUR OFFER

DoubleDigit clients benefit from the company's commitment to results, the capacity to deliver above expectation and experience with major global brands. DoubleDigit enhances clients' ideas with outstanding execution.

CLIENTS

For over 10 years, DoubleDigit has worked alongside marketing firms in North America and the UK to serve brands including: Pepsi, Gatorade, Nestle, Heineken, Google, Walmart, American Express and clients such as CMD, Digitas, and Sapient.
