## ABOUT US

Active Audit Agency assist businesses across sectors and around the world to identify vulnerabilities in their software products, IT infrastructure, and business processes - meeting the critical security requirements of customers and regulators, including ISO 27001, PCI DSS and MPAA, among others. As a leader in the Ukrainian market, our portfolio includes more than 150 successfully completed projects by our internationally-certified teams.

## OUR OFFER

Through the identification and elimination of security gaps in your network, products, and processes, we help companies achieve optimal customer confidence by preventing data loss and compliance risk; protecting their IT investments and increasing ROI.

## OUR OBJECTIVES

To identify partners, such as business process auditors and IT consulting firms, who could benefit from being able to offer world-class and cost-effective security audit and compliance services.

## OUR CLIENTS

Active Audit Agency serves more than 50 customers in Canada, the USA, Europe, and Ukraine, such as Deloitte, ChoiceHR, AYTM, Dipocket, Deutsche Bank, ING Bank, National Bank of Ukraine, AVON Cosmetics, Ciklum, ELEKS, Lifecell, Ukraine International Airlines, among others.
