ABOUT US

Taurus Quadra is a software development company focused on the detailed design, planning, implementation and integration of SharePoint integrations and business applications. With over 25 major installations in the US, Europe and Ukraine, Taurus Quadra has the experience, expertise and integration capabilities to build, extend, integrate or implement corporate portals and business apps.

OUR OFFER

We offer cost effective and in-depth knowledge of Microsoft technology and platforms, saving your company time and money and boosting efficiency.

OUR CLIENTS

Taurus Quadra has worked with large enterprises in the US and in Europe in the manufacturing, property management, pharmaceutical and healthcare sectors.

OUR OBJECTIVES

To create strategic alliances with Canadian technology companies specialising in Microsoft SharePoint and Office365 targeting Canadian and US multi-national clients.
