ABOUT US

Telecinco is a media production & broadcasting company, offering pre-production, production, post-production and distribution of original series and animation for TV stations and multinational companies as well as broadcasting of premium sporting events globally.

OUR OFFER

We offer a comprehensive range of customized solutions for content production and broadcasting from and to any country in the world, for television stations, content producers and multinational firms.

OUR CLIENTS

We have worked with global broadcasters including Tigo-Une, FOX Sport, Globo (Brazil), Sport (China), and Direct TV, as well as with multinationals such as Caracol, Grupo Sura, Argos, Isagen, Orbis, Ripley and Redbull.

OUR OBJECTIVES

To build alliances with Canadian TV stations and broadcasters, providing a range of online and offline content, as well as partnering with multinational Canadian companies that require content production services targeted at Hispanic audiences worldwide.
